# You can code!

Hour of Code is a one-hour introduction to computer science designed to demystify "code" and to show you that anybody can learn the basics of programming.

During Hour of Code, you will create your own app or game that you can show their parents, and you will also receive an Hour of Code t-shirt! We have interactive coding activities for all ages and ability-levels.

Why take part in the Hour of Code? Computer science is changing every industry on the planet. Every 21st-century student should have the opportunity to learn how to create technology.

The A.J. Read Science Discovery Center of SUNY ONEONTA and NYCM Insurance will host two Hour of Code sessions on December 9th to allow for more kids to be involved! Hour of Code is free!

**Saturday, December 9 @ 10am & 11am**
