

CONNECT

EDUCATE

INSPIRE

INFORM

The **School-to-Careers Partnership of Broome and Tioga Counties** is pleased to announce that through the generous support of **Lockheed Martin** grant funds are available to support a limited number of programs targeting elementary, middle and high school students in the Broome and Tioga County school districts served by Broome-Tioga BOCES. These grants will help the region meet the objectives of the **STEM Hub of the Eastern Southern Tier NY.**

STEM Hub Mission:

- **INFORM** engage and excite students in Science, Technology, Engineering and/or Math;
- **INSPIRE** and encourage students to enroll in challenging STEM courses at the high school level and beyond;
- **EDUCATE** and prepare a more diverse group of students to participate in STEM by providing support to populations under-represented in the STEM field; and
- **CONNECT** and support STEM college and career readiness initiatives and academic enrichment
 - **Proposals must reflect the potential of the proposed project to clearly support the mission listed above.**

Available Funding

In years past we have funded things such as Lego Robotics, Robot Kits, and Cubelets. We are now looking to fund grant requests that have a long term impact such as building infrastructure and supporting professional development. For example, funding to help support a new computer science club, or funding to further teachers education in a certain area. Grant requests should involve a local business partner, please include a letter of support from the business.

How to Apply

All applicants must complete and submit the STEM Hub of the Eastern Southern Tier – STEM Hub Grant Application. Incomplete applications will not be considered for funding. *Grant requests submitted after the deadline will be reviewed on a case by case basis.* If awarded this monetary grant we will be requesting both an interim and final report.

One hardcopy with original signatures must be mailed by **Friday May 18, 2018**

**STEM Hub of the Eastern Southern Tier
c/o Melinda Russell, Executive Director, School-to-Careers Partnership
435 Glenwood Road
Binghamton, NY 13905**

Applicants must also submit an electronic copy via email to mrussell@btboces.org

Note: Please use additional paper for program narrative
